## **FUN JUNIOR SCRAMBLE GOLF TOUR FOR EVERYONE!**

The 616 Junior Scramble Golf Tour was established as the first of its kind in the junior golf world. Each event will be a 2-person scramble format with boys, girls, and mixed divisions. Age groups will play from yardages that make sense and make it fun for everyone! This tour is designed to first and foremost be fun, but also to get junior golfers out on the course - learning the rules, feeling the nerves of competition, all in a fun and positive atmosphere. Whether you are serious about the game of golf or just wanting to play with your friends and hone your skills, the 616 Junior Scramble Golf Tour is right for you!
