FUN JUNIOR SCRAMBLE GOLF TOUR

The 616 Junior Scramble Golf Tour was established as the first of its kind in the junior golf world. Each event will be a 2-person scramble format with boys, girls, and mixed co-ed divisions. Age groups will play from yardages that make sense and make it fun for everyone! This tour is designed to first and foremost be fun, but also to get junior golfers out on the course – learning the rules, feeling the nerves of competition, all in a fun and positive atmosphere.

Please understand the events are comprised of Two-person teams. If you need a partner, we will do everything possible to pair you up. However, we cannot guarantee it. If we are unable to find a partner, you will receive a full refund.
